Sir,

I have the honour to request Government to sanction the grant, as a special case, of one and a half times daily allowance to the men noted below, for the period specified against each, for their halts at Kulgunda and Subrahmanya, South Kanara district, in the circumstances set forth below:-

(a) Cattle fair at Kulgunda

1	do	- 12 days	,,	9-11-1927 to 20-11-1927

1	do	- 13 days	,,	9-11-1927 to 21-11-1927

Total 2 head constables and 27 constables.

(b)

(b) Construction of sheds at Kulgunda and Subrahmanya.

1 head constable and 1 constable- 10 days from 30-10-1927 to 8-11-1927.

2) It has been the custom to hold a cattle fair at Kulgunda, two miles from Subrahmanya, at about the same time as the Shasti festival at Subrahmanya. In 1926 the fair at Kulgunda was not held owing to a serious epidemic of rinderpest, but men were deputed to prevent cattle from coming in. Government sanctioned one and a half times daily allowance to the men employed on that duty in G.O.No.Mis.182, Judicial, dated 14th May 1927. Last year, the fair was actually held and it lasted from 9th November 1927 to 27th November 1927. Two head constables and 31 constables were employed on bandobast duty at Kulgunda in connection with the fair for varying periods as noted above. I recommend that these men may be granted one and a half times daily allowance for the entire periods of their halts at Kulgunda.

3) As accommodation for the men was necessary, temporary sheds had to be erected. One head constable and one constable were employed on the construction of sheds at Kulgunda and Subrahmanya from 30th October 1927 to 8th November 1927. I request that these two men may also be granted one and a half times daily allowance for the entire period of their halts at the two places.

4) The men, who were on bandobast duty in connection with the Shasti festival at Subrahmanya, have already been granted the increased rate of daily allowance under my sanction, with reference to G.Os. Nos.1221, Judicial, dated 1st November 1922 and No.306, Judicial (Police), dated 25th June 1923.

5) The expenditure will be met from the appropriation under "26-C- Police- District Executive Force- i District Police- Allowances- Voted- Travelling allowance".

As the distance between Kulgunda and Subramanya is only 2 miles the halts at these places should be treated as one continuous halt in the case of persons who had been on duty at both places.

There does not appear to be a strong case for deviating from the rates of daily allowance mentioned in Annexure IV to the Manual of Special Pay and Allowances for festival duty.

The grant of daily allowance for the construction of sheds may create a bad precedent.

JUDICIAL Department.

Sir,

Reference- Judicial Department Memorandum No.3287-1, dated 17th August 1928.

I have the honour to state that the Shasti festival at Subrahmanya, South Kanara District, was held for six days from the 25th to 30th November, 1927 and to enclose a statement (since received from the District Superintendent of Police) showing the numbers of head constables and constables detailed for duty for the cattle fair at Kulgunda and the Shasti festival at Subrahmanya, with dates.

2. According to the statement referred to above, the number of men detailed for duty for the cattle fair was three head constables and 31 constables and not two head constables and 27 constables referred to in my letter R.C.No.942/Audit/1928

1928, dated 20th July 1928, which is a mistake due to the omission in the first instance of some men by the District Superintendent of Police under a misapprehension. I request therefore that enhanced daily allowance may be sanctioned in respect of the former.

3. The rate of daily allowance prescribed for subordinates on Rs.100/- and less travelling in South Kanara District under rule 41, Madras Travelling Allowance Rules and Annexure V is 50 per cent. more than the ordinary rate. The enhanced rate is fixed in consideration of the fact that travelling in South Kanara district is unusually difficult or expensive. During festivals, both living and travelling are costlier than at other times, and I consider that with reference to G.O.No.1221, Judicial, dated 1st November 1922, the men in this district should be eligible for 1½ times the enhanced daily allowance ordinarily admissible in the district. The Accountant-General, however, contends that when calculating 1½ times daily allowance it should be on the ordinary rate applicable to other districts - Vide his telephonic reply (copy enclosed). I request the orders of Government on this point. If 1½ times the enhanced rate for the district is admissible, I request that retrospective effect may be given to the order, with reference to the reduced allowances drawn in 1926 and 1927 on the Accountant-General's objection.

Travelling allowance to police officers attending festivals have to be regulated with reference to the rules in annexure Iv at page 69 (101) of the Manual of Special Pay and Allowances, Vol II. The words used ~~as~~ as one-and-half times the ordinary rates and the ordinary rate of travelling allowance is fixed at page ~~88~~ 61, Vol II of the Manual. The Daily Allowance for police constables on festival duty should therefore be 6 annas only. The sanction of Government is necessary for calculating the increase on the special rates fixed for South Kanara.

C No. 3287/28 From the I.G. of Police R.C. No. 942/Jud J28 D 20-7-28

The I.G of Police requests that 1½ times daily allowance may be sanctioned to two head Constables & 27 constables employed on bundobust duty during the Kulgunda Cattle fair from 9.11.27 to 27.11.1927 & also to a head constable & one constable for 10 days for constructing sheds for accommodation of the police during the fair. C.S. remarked in the Ajmere Sports file that the claims of the police constables for T.A & D.A. are extra vacant & should be jealously scrutinised. The A.S. points out that the grant of D.A. for the construction of sheds may create a bad precedent. He also states that

The D.G. has already sanctioned the increased rates of allowance. The D.G. has not stated in his letter when the Shasti festival at Subrahmanya was actually held. The Accountant General states that the distance between Kulgunda & Subrahmanya is only two miles, that halts at these places should be treated as one continuous halt in the case of persons who had been on duty at both places. He surmises that some Constables might have been employed on duty at both places & should not be given increased rates of allowances for both duties. As this required information is not available, the D.G. of Police may be asked to furnish it. Draft submitted.

Issued - Memo No. 3287-14 Jud. dt. 17.8.28

From the D.G. of Police. R.C. No. 942/Aud/28 dt. 29.11.28.

The cattle fair at Kulgunda was held from the 9th to 27th Nov. 1927. The I.G. now reports that 3 head constables and 31 constables were employed during the Kulgunda Cattle fair and not 2 head constables and 27 constables as originally reported – vide his letter at p1 of.

2. Under rules 38 & 39 of the I.G. rules read with annexure IV, p69 of Vol II of Manual of Spl Pay & Allowances daily allowance at full rate is admissible to non-gazetted officers of the Police Department for the first 10 days of halt, and half rate thereafter. The ordinary d.a. for constables & head constables is 4 annas. The d.a. ordinarily admissible to these men in S. Kanara is 6 annas (50% over the usual rate – vide G.O. rule 41 note (b)(iv) on p71 of Vol II of Manual of Spl. Pay & Allowances). The I.G. wants the men to be given 1½ times this enhanced rate (ie) 9 annas for the entire period of their halt at Kulgunda. He also requests that if this recommendation is accepted retrospective effect may be given to the order so that the men who were on duty in 1926 & 1927 might now draw the enhanced rates. Some of the men had done duty for more than 10 days. If the I.G's proposal is accepted these men will get two concessions, viz, d.a. at the enhanced rate of 9 annas and d.a. at this rate for over 10 days which is not ordinarily admissible. This seems to be extravagant. It is perhaps

15 — E

sufficient to allow the enhanced rate admissible in S. Kanara viz (ie 16 annas) for the entire period of tour as was done last year vide G.O. No 182 Jud dated 14.5.27. This is also the Advice. The remarks of Finance may be invited.

3 The Head Constable and the Constable employed on the construction of sheds at Kulgunda & Subrahmanya will receive the ordinary rate admissible in S. Kanara - viz. 6 annas.

Para (4) (3) of G.O. 182 Jud 14.5.27 refers

14/12/28 Advice

The G.O. at 'R' gave 1½ times the ordinary rate. The Advice interpretation seems unduly narrow. The whole idea of the concession of 1½ times rate is that this duty involves more expense than ordinary touring in S. Kanara. For this last, however, 6 annas a day was given & we consider that this duty is more expensive we can hardly whittle down the concession asked for & agree to, merely on a verbal quibble.

In the calculations refreshments twice a day are taken into account. This seems excessive considering the status of the men. If allowance is made for refreshment only once a day the cost incurred by H.Cs and Cs. is as under

The daily allowance admissible is 6 annas per day for both head constables and constables. There does not seem much of a case for the grant of increased daily allowance at 9 annas. For orders.

Post copy of telephonic message dated 20th May 1929 from the Inspector-General of Police, Madras, to the Under Secretary to Government, Judicial Department.

Refce.- G.O. No. Mis. 276, Judicial, dated 13th May 1929.

It is stated in paragraphs 2 and 3 of the Government Order that both head constables and constables are sanctioned a daily allowance of six annas per day. The ordinary daily allowance for a constable is annas four, while the rates of daily allowance for head constables are annas eight in the case of 2nd and 3rd grade head constables and annas ten in the case of 1st grade head constable. Please let me know whether the daily allowance of six annas per day is intended for head-constables also. If so, it will be a hardship to the head constables.

Please return for reference the statement of men on duty forwarded with my letter R.C. 942/Audit, dated 27th November 1928.

R.K.21.5

The decision was that the policemen concerned should get 1½ times the ordinary rate of daily allowance and not 1½ times the special rate of daily allowance admissible in S. Kanara. To remove any possible doubt the amount was specified in paras 2 and 3 of the G.O. thought it was sufficient to state that the rate

approved was 1½ times the ordinary rate. ¶ Six annas was mentioned under the misconception that head Constables and Constables hould be ~~graded~~ brought under Grade XVI on p 61 of Vol II of the Madras Manual of Special Pay & Allowances - vide notes on pages 14-20 of the G.O. Though both head Constables and constables are ~~in fundamental~~ classed superior ~~to others~~ and in ~~subsidiary~~ the definition of Inferior Service on p 10 of the Fundamental Rules only the latter are classed inferior for purposes of T.A rules ~~classed inferior~~ - vide note under definition of Inferior Service on p 11 of Vol I of Madras Manual of Special Pay & Allowances. Hence only Constables can be brought under grade XVI on p 61 of Vol II of the Manual. The A.G's view is therefore correct. The G.O may be slightly modified. Draft Memo is subd for approval
